OCR mobile app

Exciting news! Introducing the all-new Text Scanner: OCR mobile app powered by Blinix Solutions Pvt Ltd!

Whether you're a student, professional, or simply seeking to streamline your daily tasks, our Text Scanner app has got you covered!

Say goodbye to manual typing and hello to effortless convenience!

Our powerful OCR technology enables you to scan printed or handwritten text, instantly converting it into digital format.

⬥ Capture documents, receipts, business cards, and more with a simple tap of your smartphone's camera.

⬥ Extract text from images and effortlessly edit, share, or store it for future reference.

⬥ Enjoy lightning-fast recognition, ensuring accurate results in seconds.

Download now and experience the convenience of OCR at your fingertips.

Available for iOS and Android devices.
App Store: https://rb.gy/k0hrz
Google Play: https://rb.gy/mi0ln
